

The Internet

C20168

40% Project: *Security & Confidentiality*

Guidelines

- You are required to produce a 4 A4 page assignment dealing with issues of security & confidentiality on the Internet.
- The title of the assignment is one of either:
 1. Doing business on The Internet: a golden opportunity but for whom and at what cost?
 2. Shopping on The Internet: how to stay safe while saving money.
 3. Communicating via The Internet: for all its advantages, a recipe for disaster.
- You are advised to locate articles in newspapers & magazines as sources of information, as well as using The Internet.
- The first A4 page is the 'My Own Work' cover page.
- On the fourth page should be a list of documents & web sites from which you either took information or at which you carried out your research. The URLs should be provided. This section is your bibliography and should include a list of any other sources of information you used.
- Copies (or print-outs) of at least one newspaper or magazine article should be included with your submission. These copies do not count as pages of the assignment.
- The middle two pages should contain the text of the assignment. The assignment should break down into:
 1. introduction
 2. discussion
 3. conclusionsections.
- The text should be standard formatted. Use the checklist!
- The deadline for this assignment is: **10/10/2003**

This assignment is worth 40% of the total marks for the module.
