Booklet / Tri fold

07/11/08

Brief

Design a tri fold handout (A4 paper folded into three columns)

The handout can be based on information from an existing handout but not scanned from it.

You may design your own handout from scratch if you wish.

Suggested themes:

Healthy eating; Recycling; Dangers of smoking; etc.

Requirements

You are limited to three printed colours for the finished design, but you may use colour photographs.

The tri fold will have 6 columns including front and back covers.

Your design must be laid out and planned in your layout pad allowing for spacing, margins, charts and so on.

Evidence of research into a number of examples of Tri-folds must be shown in your layout pads.

Size: Folded A4 sheet printed on both sides.

Theme to be selected and **collected samples** to be ready for **17/11/'08**

Your **plan/design** recorded in your layout pad and **sample test prints** to be ready for the **12/12/'08**

Finished work final design deadline date: **19/12/'08**
