

# The Internet/Communications/Web Authoring

C20168/G20001/N22953

## Essay Project

### *History & Structure of The Internet*

#### **Content**

- You are required to produce an essay assignment (between 600-1,000 words) entitled:  
*"Communications, Computing & The Internet: Would it be possible without NAME?"*
- You will submit this assignment 3 times, once each for:
  - ➔ The Internet (C20168) On-line Worth 30% of module marks
  - ➔ Communications (G20001) Paper Worth 25% of module marks
  - ➔ Web Authoring – CSS (N22953) On-line Worth 30% of module marks
- On paper, 2 A4 pages maximum, where the 1<sup>st</sup> page is a standard cover page.

-----][-----

We perform many functions and operations on the internet today without thought for how these facilities became available. Many persons and organisations have gone before in the creation of the technologies that now permeate modern life.

You have been allocated one such from the list below. Research the biography of the person, or history of the organisation or thing, but **primarily** whether our society would be the same without their contribution to communications, technology and the Internet as we know it today.

2 suitable images should be included in the document, one of which should be a photograph of the person at the top of the essay.

The document title should be as given above, with your **allocated topic** from this table:

Denis Ritchie	Linus Torvalds	Alan Turing
Robert Bunsen	Jack Kilby	Tommy Flowers
The 8080 processor	Rear Adm. Grace Hopper	George Boole
Tim Berners-Lee	Bob Kahn	John Harrison

-----][-----

- Don't just copy and paste off the Internet; it stands out a mile and gets no marks!**

- If newspaper articles or websites are referenced these should be clearly identified in the submission as references. On-line references should be click-able.
- The assignment should have clear introduction, discussion, and conclusion sections.

## Submission

- Submission, paper, for *Communications* module:

- ➔ The text should be standard formatted, punched and stapled.
- ➔ Get cover stamped by teacher, use submission box in Room 15.

- Submission, on-line, for *The Internet* module:

- ➔ Use the standard format stylesheet link in the header:

```
<link rel="stylesheet" type="text/css"
href="https://www.fachtnaroe.net/standardstyle-2015.css"
media="all"/>
```

- ➔ Save the html document in

**~/public\_html/theinternet/historystructure2015.html**

- Submission, on-line, for *Web Authoring* module:

- ➔ Create and link to a style-sheet you devise yourself:

```
<link rel="stylesheet" type="text/css"
href="https://YOURUSERNAME.fachtnaroe.net/webauthoring
/assignmentstyle2015.css" media="all"/>
```

The style-sheet should reflect your vision of the web style for the imaginary business **Butlers Educational Essays Ltd.**

You should devise a suitable company logo and include that on the page. **Butlers Educational Essays Ltd** normally use parchment colours in their advertising copy.

- ➔ Save the html document in

**~/public\_html/webauthoring/assignment2015.html**

- The deadline for this assignment is: **17/10/2014 - 12:45.**
- This assignment is for The Internet, Communications, and Web Authoring modules, and is worth:

**30% of the total marks for The Internet module**

**25% for Communications module**

**30% of the total marks for Web Authoring - CSS module**
