Self Assessment Assignment

This is intended to be a brief assignment.

Part 1 (Computer Knowledge):

- Write a brief summary of your current computer skills after your second term.
- Having been on work placement do you feel you could – with your current skill set – gain immediate long term employment with promotional prospects?
- If not, what steps can be taken to improve your longer term prospects?

Part 2 (Target Employment):

- What are your plans for future employment – what sort of job do you see yourself doing in the future?
- Why is this type of employment attractive to you?
- What skills, education and qualifications are necessary for this type of job?
- What steps will you follow to achieve this target?

Part 3 (Self Assessment):

- What would you have considered your strong points prior to work placement? List 3, explaining your choices.
- How do you consider those same strong points *after* your placement period?
- What are your weaknesses – what things about yourself would you change if you could? List 3, explaining your choices.
- How do you consider those same weaknesses *after* your placement period?
