Work Experience

W20008

Preparatory Study 3

Dublin high technology global industries

Part 1:

- List five global "high-tech" employers who have operations in Dublin and surrounding areas. For simplicity of definition, for the "surrounding area" look within the loose geographical area formerly known as The Pale.

- For each organisation – who should not have been covered by any prior assignment – list the main business(es) of the corporation, their global geographical spread, their relative position in the global market (*e.g.* Leader, former leader).

Part 2:

- For two of the five corporations above:

    o Does the organisation have a work experience or intern programme?

    o Outline some details of that programme (*e.g.* Duration *etc.)*

    o Identify one job in the company

    o State the likely qualifications required for the job

    o Indicate the course(s) that would lead to one of those qualification(s)

    o Identify how to get onto one of those courses from your current course, using the HELS

    o Identify the points and qualifications available from your course to qualify for the HELS

    o What that job typically entails and might pay

    o Prospects for travel in the selected job.
