History & Structure of The Internet Assignment

Assignment

? You are required to produce an essay dealing with the History & Structure of the Internet.

? The title of the essay may be chosen from the following list:

> ? Who Owns The Internet?
>
> ? Who Makes The Internet Work?
>
> ? Is The Internet a Democracy?
>
> ? Where Did The Internet Come From?
>
> ? Where Did The World Wide Web Come From?
>
> ? Can I Break The Internet?

? Whichever title is chosen is the main theme of the essay. However, reference should also be made (though more briefly) to at least three of the other questions listed above.

Guidelines

? An appropriate cover page, available on the intranet via http://home/, should be used.

? The assignment itself should be at least 500 words long (typically about 1 A4 page)

? You **must** include a references page at the rear of the assignment. This should list each web site from which you read material which you either use or make reference to. Each reference should be numbered and titled as well as have show URL of the document. Refer to the E-mail Etiquette research document to see an example of how you might format your references.

? The completed assignment must be submitted in paper form in Room 15, as well as saved as a web page.

? There will be a presentation in class on how to save the assignment as a web page.

? The text should be standard formatted.

? The deadline for this assignment is**: 29/11/2002**

This assignment is worth 30% of the total marks for the module.
