| **PROJECT** |
| **Assignment Weighting: 40%** |

Design, plan and produce a multi page document consisting of <u>at least</u> 4 pages. The document should include the following – scanned graphics**, header/footer, rules and boxes, text offsets and or insets, bordered text frames, page numbering, document title/mast head/name plate, table of contents.

***This must be your own work*

The content of the document does not require original research.

The form of the document presented should be suitable for presentation to a client and be ready for printing.

Type of document:

Newspaper, magazine, newsletter, annual report, catalogue etc. based on one of the following. The final size is to be A4.

1. South Tipperary News.
2. Eating out in Clonmel.
3. Garden Supplies.
4. Rosslare-Limerick rail link report.
5. Own choice (check with tutor)

Designs/ideas should be developed through <u>sketches and rough visuals</u> in your <u>sketchbook</u> as well as laser printouts of the finished products (Project log).

The following should be included:

- Monochrome laser printouts with crop marks as appropriate.
- Master page definitions
- File listings, hardware/software specifications
- Project log showing progress and alterations.
- Cost analysis for printing 100, 1000 and 5000 copies by photocopying, Laser printing and commercial printing.

All electronic files must be retained and made available as evidence!
