Computer Architecture & Systems – Research Assignment
Summary Marking Scheme
Research Project: 2004/5

Section 1; 20 Marks; **Understanding of concepts**;

- 0 – 9: Unsatisfactory understanding/effort;

- 10 – 14: Good but imperfect understanding/effort;

- 15 – 20: Very good effort; clear demonstration of understanding;

Section 2; 15 Marks; **Research;**

- 0 – 4: Unsatisfactory research effort;

- 5 – 10: Good but imperfect presentation;

- 11 – 15: Very good effort; clear demonstration of research effort/relevant observations etc;

Section 3; 15 Marks; **Analysis & evaluation**;

- 0 – 4: Unsatisfactory analysis;

- 5 – 10: Good but imperfect analysis/effort;

- 11 – 15: Very good effort; comprehensive analysis;

Section 4; 10 Marks; **Conclusions**;

- 0 – 4: Unsatisfactory conclusions;

- 5 – 7: Good but incomplete reasoning or conclusions;

- 8 – 10: Very good effort; good logical recommendations;

Individual Candidate Marking Sheet 1		Computer Architecture and Systems C20012 Project 60%

Candidate Name: _____ **NCVA Candidate No.:** _____

Centre: _____ **Roll No.:** _____

Assessment Criteria	Maximum Mark	Candidate Mark
• clear understanding and application of concepts in computer architecture and systems	20	
• appropriate use of research, with careful observations and recording of relevant information	15	
• comprehensive analysis and evaluation of the system	15	
• logical conclusions/recommendations based on evaluation	10
